

ADCRC

ALZHEIMER'S DAY CARE RESOURCE CENTER PROGRAM

PROGRAM DEFINITION

The primary purpose of the ADCRC program is to provide quality daycare for persons with dementia, while giving respite to their caregivers. In addition, the ADCRC program provides education and training for caregivers, professionals, interns, students and members of the community about Alzheimer's disease, as well as referral and support services to persons with dementia and their families and caregivers.

TYPES OF ADCRC SERVICES AVAILABLE

- ✓ Day care for persons with Alzheimer's disease or related dementia
- ✓ Counseling, support groups and training for families and caregivers
- ✓ Training and education for:
 - a. ADCRC Staff and AAA Network Providers
 - b. Professionals and Students
 - c. Public/Community

SERVICES INCLUDE

- ✓ Day Care
- ✓ Counseling, Support Groups and Training for Families and Caregivers
- ✓ Training and Education

CLIENT ELIGIBILITY CRITERIA

- ✓ Day Care Participants - those who are in the moderate to severe stages of Alzheimer's disease or related disorders, whose care needs and behavioral problems make it difficult for them to participate in other care programs
- ✓ Family Caregivers - 18 or older adult family member, or another individual, who is an

informal provider of in-home and community care to an older individual (60 or older)

FUNDING

This program is funded by three (3) sources using a blended-funding strategy: Community-Based Services Program funds, Older Americans Act Title III-B Supportive Services and Title III-E Family Caregiver Support Act.
